Your Aiven service token for mysql-ifcbluhyl is exposed

An active service token for your service mysql-ifcbluhyl in project hvescovi-ifcblu is publicly available online at <https://github.com/felippekisner/AV4/blob/39a7ca7a1ac26c1ddc9b907d95f5800747d34a28/principal.py>.

This exposure of your service credentials poses a risk to your Aiven service and could lead to disclosure of data stored in your service. Please rotate this credential as a matter of urgency. The service user can be managed either through the Aiven Console or Aiven CLI.

- **Service name:** mysql-ifcbluhyl
- **Project name:** hvescovi-ifcblu
- **Username:** avnadmin
- **Online at:** <https://github.com/felippekisner/AV4/blob/39a7ca7a1ac26c1ddc9b907d95f5800747d34a28/principal.py>
